Dear Ms Amanda lovino:

Response to Notice 12/24/09

Item #3

Dear [<Firstname>],

You are receiving this letter because of your very generous contribution to my campaign for Congress in NY s 23rd District. As I m sure you re aware, the campaign finance laws are extremely strict and must be judiciously and cautiously complied with in order to ensure full disclosure. I am very grateful for your contribution and I intend on using yours and other contributions that I received after the date of the special election in the 2010 battleground election in the congressional race for the NY s 23rd District against the liberal Pelosi clone William Owens. However, since your contribution was received by my campaign after the date of the election I must offer you the opportunity to request a refund.

If you recall, the 2009 race for NY s 23rd District pitted me, a conservative Republican seeking smaller government that offers a reasonable plan for job growth and economic emergence from the prior year, against a liberal Republican and a liberal, Pelosi clone Democrat. The most recent votes of Mr. Owens demonstrate his in step thinking with Nancy Pelosi and President Obama. The 2010 race for NY s 23rd District shapes up such that I will be able to run directly against Mr. Owens without the interloper who delivered the seat to the Democrats in 2009.

I thank you for your incredible generosity and hope that you will continue to support me and our similar thoughts of how to reform and bring our America back to the people!

Respectfully yours,

Doug Hoffman Doug@DougHoffmanforCongress.com
